

Summer Books - the best summer review

Update your affiliate procedures and double your reward.

Our new website is now mobile-friendly making it very easy for parents to order a *Summer Book* for their child! **Make it easy for them to give your school credit as well.**

At the top of every page, parents will see on the right end of the menu bar.

1. Click on Support Schools to see the Affiliate School List. ([Support Schools](#))
2. Find the school, and enter the code in the VOUCHER or Coupon Code box at check out. Parents will see a \$0.01 discount on their order, so they will know that the code worked.

You can also **publish your school code** on your website, in newsletters, etc., to help parents to remember to use it.

These codes are special because they may be combined with any other discount code. Parents do not have to choose between saving money and helping the school. They can do both!

At the end of the year, your school will be given a choice.

1. You may take your credit in the form of a check payable to your school.
- OR
2. You may turn your credit into a voucher or coupon code for the Summerbook website worth TWICE the credit amount.

For example, if your school has earned \$20 in credit, you may elect to receive a check for \$20 or you may choose to receive a voucher for \$40 to spend on the Summerbook Company website.
